

Environmental Club

Environmental Club will focus on the events like Earth Day, World Water Day, Wildlife, Forestry, weather forecasts, how to make your campus more greener? How to reduce waste on the road? Traffic awareness etc. Students will be divided into groups and they will use generic labels like "Earth Group", Wildlife Group, and Green News.

Save the water,
Save the people
Save the water
Save our lives
Want to live,
Save the water

A Green Earth is a Healthy Earth!

"The power of green is in you... Awaken it....."

Nurture **NATURE** for our **FUTURE**

I'm not an environmentalist.
I'm an Earth warrior.
