

ROOTS SCHOOL SYSTEM

Literacy Club

Club Literacy is an educational enrichment center focused on promoting literacy and language arts skills for RSS children.

The sole purpose of the club is to cater the needs of them students and also to develop their interest in literature and language.

1. The Literacy Club will give student writers an opportunity to develop their interest and abilities in creative and persuasive writing.
2. It is to encourage students to submit their writings and enhance their creativity and talent in areas of publishing and printing.
3. Literacy Club aim is to create literate communities and to help the communities take responsibility and in turn help to empower all individuals that come into contact with the club.
4. Likewise, RSS student must engage in situations that help them learn to become self-sufficient, trusted, empowered human beings. Students must engage in authentic experiences. They must read for real purposes and write texts that will be read by real

Students will have chance to

- Participate in Debate Competitions
- Writing Contests
- Article Writing
- RSS Monthly Newsletter
- Poetry Contests
