WHO SHOULD ATTEND?

-  **Beginner Teachers:** Embarking on a teaching career with RNITTE Montessori diploma is as simple as ABC. This course will help shape your career.
-  **Experienced Teachers:** This course is recommended to all experienced teachers working with young children who wish to gain insight into the best way to individualize their teaching and curriculum
-  **School Administrators & Principals:**
What does it take to run an effective Montessori School? This workshop answers this essential question and imparts you with the necessary tools & skill sets. You along with your teachers can attend this course together to make it a valuable learning experience.
-  **Fresh Graduates:** This course is highly recommended for young people interested in helping small children. This will enable them to embark on a professional career as a Montessori Directress. It is also of great value for future parenthood.
-  **Parents & Young Mothers:** This course helps parents understand the natural laws of growth and self construction in a child. Thus as a parent, you can help the child to grow to his utmost potential
-  **Career Swaps:** This course is also suited for students taking a gap year before entering university, to people in their twenties and thirties wishing to embark upon a career change to Montessori education

WORKSHOP RESOURCES:

- 📄 MMW training Modules
- 📄 Life Time teaching resource guides and Workbooks
- 📄 Resource CDs
- 📄 Welcome Packs
- 📄 Comprehensive Resources
- 📄 Program Handbooks
- 📄 Guidance notes
- 📄 Assessments
- 📄 Group Exercises
- 📄 Certification
- 📄 Graduation Ceremony

Professional montessori certification is highly valued professional programme abroad & is very expensive & of long duration. There will never be a better time for you to learn the entire MONTESSORI pedagogy in just two weeks at such low price.
