WORLD MODEL UNITED NATIONS SINGAPORE 2011

- World Model United Nations Conference (WorldMUN) is the most diverse college-level Model UN conference in the world, attracting more than 2,000 college students from more than 60 countries each year for a youth summit.
- WorldMUN moves to a new international city each year, after traveling to locations like The Hague in the Netherlands; Puebla, Mexico; Geneva, Switzerland; Beijing, China; Belo Horizonte, Brazil; and Sharm El Sheikh, Egypt, WorldMUN is extremely excited to host its next conference in Singapore.
- WorldMUN Singapore would bring the conference to Southeast Asia for the first time in its two decades in existence, introducing delegates to a new part of the world in the true spirit of WorldMUN.
- The conference lasts one week in March and combines committee sessions during the day with nightly social events. The events provide delegates with a great way to experience the host-country's culture and to learn from students from around the world
