“Life in the Forests”

DEAR PARENTS,

Wishing you all a very Happy New Year!!!

Keeping the tradition of beyond the classroom learning initiatives and providing our students the chance to excel and prove their mark on international horizons, Roots School System is pleased to inform you that your child will be participating in the International Children's Painting Competition being organized by UNEP. The theme of the painting competition is **“Life in the Forests”**.

The paintings will be made by students in their schools in the presence of their Art Teacher.

All these paintings will be sent to UNEP- Thailand Office for judgement.

This is a great opportunity for your child to paint and learn more about the environment and the very important role the **FORESTS** play in safeguarding our environment.
